# Amaze + Matte

# + Finish every project strong, every time.

When you build with Glen-Gery Klaycoat®, color is more than just a finishing touch. It's a focal point that takes any project from "okay" to "outstanding." That's inevitable when you have the opportunity to customize the color of your project in an unexpected way to meet any ask and exceed every expectation.

## Style in every shade.

Embrace the liberating reality of being able to build with any color you can imagine—and ones you couldn't.

**Klaycoat**  
BRICK PRODUCT

## Product Overview

Available in an unprecedented variety of colors (including customized iterations), Klaycoat® offers a world of new options to satiate your imagination when it comes to building with brick. Its permeable coating bonds to the surface of the brick and allows liquids and vapors to pass in and out without compromising the overall brick aesthetic.

### Details

Suggested use: interior and exterior applications including walls, ceilings, archways, copings, custom projects, and more.

Available in 20 color variations and nearly unlimited custom colors. See the next page for color options, or visit [glengery.com](http://glengery.com).

### Specs

# + When color is everything.

Explore something unexpected with Klaycoat® and add instant visual interest to any (and, really, all) of your projects, from commercial to industrial to residential applications. If you're looking for a bold way to bring modern attraction to any piece of architecture, Klaycoat is a standout way to do it.

## The boldest way to color your world.

Klaycoat® brick is created in scores of colors yielding spectacular results that architects and designers can utilize to great effect—without going over budget, and in many cases, with a complementary body color. Not seeing the color for you? Not a problem. We can match and create any custom color.
