Meet Roman Maximus.

Forging the mystery and grandeur of ancient times with sophisticated contemporary demands, there is only one Roman Maximus Brick. Longer than any brick made in North America.
Increasing sleekness.

The undisputed cool of Roman Maximus in Black enhances the aesthetics of everything it touches.
Inspired by an empire, Roman Maximus forges the enigmatic allure of antiquity with the stylish demands of the modern era.

The Romans made a strikingly beautiful and elongated brick that complemented the grandeur of their empire. The design of the Roman Maximus was inspired by this brick. With a length longer than any brick made in North America, the Roman Maximus evokes feelings of sophistication, exclusivity, and prestige that Romans likely felt over 2,000 years ago.
