**Meet Molded.**

Individualized character coupled with a wide range of colors and styles.

# Form + Style

**+**  
**Where  
limitless  
options and  
boundless  
potential  
combine.**

Our skilled craftsmen guide the purposefully irregular shape and iconic soft edges of Glen-Gery Molded Brick. With unique design details that can scale to meet large and small requests, this is brick capable of enhancing architecture both classic and modern, grand and understated.

**Stay ahead of  
design by keeping  
the mold.**

Push your aesthetic further by holding true to the form of Molded Brick. From residential to institutional to commercial structures, you'll be propelled to new heights in discerning design on virtually any construction surface.

Ahead of the curve.

Craft that contours to mold your vision is fully realized here.

# Craft + Contour

THE MOLD THAT CAN DO MORE.

Reside in **wow.**

Revel in the unprecedented charm offered by Danish "1776" brick every time you walk by.
