+ Why Glen-Gery?

First and foremost, Glen-Gery is the right choice for Engraved Brick projects because we know what it takes to make the brick that we engrave. As brick craftsmen and craftswomen, we recognize the specific variety of brick that best suits your intentions. We'll impart that knowledge and experience to any project—charity walkways, memorial arches, a Wall of Fame, and a host of other appropriate, tasteful, attractive presentations. We can even help you create just the right graphics and text to inscribe on your brick, the words and images that make it forever yours.

Some people, groups, and events are so special they deserve to be honored. A graduating class; the perfect fundraiser; a housewarming gift; an anniversary; a holiday gift; a loved one who's no longer with us. The reasons for commemoration are as varied and rich as the experiences of our lives. And one especially memorable way to mark any milestone or achievement is with an Engraved Brick.

IDENTIFY PROSPECTIVE DONORS

Build relationships with prospects who can afford to contribute for years to come.

Offer guidance for your volunteers on the strategic purposes of your fundraising project.

Create specific shared goals for their teams, including team spirit and respect for leadership.

Volunteers should be outgoing and friendly.

TRAINING INCLUDES PROPER RECOGNITION
